TALMEEZ AHMAD

talmeezahmad47@gmail.com | 9209339989

PROFESSIONAL SUMMARY

Senior Graphic Designer with 7+ years of experience spanning print production, packaging, and digital design. Expert in CorelDRAW with advanced proficiency in Adobe Photoshop and intermediate Adobe Illustrator skills, complemented by hands-on prepress operation (CTCP/CTP). Proven track record developing brand identity systems, packaging design, and social media creative campaigns, with growing use of AI-assisted design tools (ChatGPT, Gemini) to support concept development and content creation.

CORE SKILLS

Design Software: CorelDRAW (Expert), Adobe Photoshop (Advanced), Adobe Illustrator (Intermediate)

Brand Identity & Packaging Design: Logo system development, brand guideline creation, packaging design for product labels, cartons, PP woven sacks, and HDPE bottles

Social Media & Digital Design: Instagram and Facebook creative design (post design, carousels, campaign creatives), digital marketing assets, internet advertising and online brochure design

AI Design Tools: ChatGPT and Gemini for creative ideation, content support, and AI-assisted image-generation prompts (working knowledge)

Print Production & Prepress: CTCP & CTP machine operation, print production per customer specifications and laboratory protocols

PROFESSIONAL EXPERIENCE

Senior Graphic Designer
May 2024 – Sep 2026

Centurysoft Pvt Ltd, Nagpur, Maharashtra

- Create designs, concepts, and layouts for digital and print media based on layout principles and aesthetic design standards.
- Design social media creatives and digital marketing assets to advertise products across internet advertising channels and brochures.
- Collaborate with marketing teams to develop brand-consistent visual content across digital platforms.

Senior Graphic Designer
May 2023 – May 2024

Advamps Consultancy, Nagpur, Maharashtra

- Produced print-ready designs according to customer specifications and laboratory protocols.
- Designed product labels, cartons, and direct mail/television creative assets from concept through final artwork.
- Developed graphics, layouts, and logo designs for company branding and websites, contributing to consistent brand identity across client projects.

Senior Graphic Designer
Sep 2017 – Apr 2023

Xpose Scanners, Nagpur, Maharashtra

- Created design concepts and sample layouts grounded in layout principles and aesthetic design standards.
- Operated CTCP & CTP machines for high-volume print production, ensuring quality and consistency across print runs.

KEY PROJECTS (FREELANCE / INDEPENDENT)

Brand Identity & Packaging Design — Bondfast (Premium Adhesives & Chemicals)

Nagpur, Maharashtra

- Developed end-to-end brand identity for the TYLMAX product range (tile adhesives, epoxy grout, cement grout, tile cleaner), including logo system, color palette, and typography guidelines.
- Authored a 14-page brand guideline document and multiple brand board references to standardize visual identity across all marketing materials.
- Designed packaging mockups and final artwork for PP woven sacks and HDPE bottles across the TM01/TM02/TM03 product line.
- Created large-format print collateral (hoardings, flex banners, roll-up standees, dealer boards) aligned with brand color and typography standards.
- Designed Instagram and Facebook creative content, including an 8-slide product carousel and individual/range social posts, using AI tools (ChatGPT, Gemini) to support content ideation and image-generation prompts.
